Dear parents and carers

Science Club for P6 and P7

Mrs Jadid, our Science Co-ordinator, will run Science Club for P6 and P7 again this year. The Club will meet on TUESDAYS and the first session will be on Tuesday 17th November between 3.15pm and 4.15pm.

Please complete the form below if you wish your child to participate. We hope that the children will continue to enjoy developing their scientific skills and knowledge alongside a sense of curiosity and finding things out together!

Occasionally the decision has to be taken to cancel a session of the Club owing to poor weather or staff commitments. When this happens, we try to give you as much notice as possible but please make sure that your contact details are up to date so that you would receive any messages sent via Groupcall.

I am very grateful to Mrs Jadid for offering this extra-curricular opportunity each week. If any parents or other family members would like to help at the Club, you would be very welcome.

If you have any questions, please do not hesitate to contact me. Many thanks for your continued support.

Yours sincerely,

Jo Martin
Headteacher

Child's name _____ Class _____

My child would like to attend Science Club on Tuesdays after school.

He/ she will behave well and follow all instructions.

I will collect him/ her at 4.15pm each Tuesday.

OR My child has permission to walk home alone, leaving school at 4.15pm.

I could help at Science Club sometimes/ every week.

I have a special interest in _____ and would like to tell the children about it and perhaps run an activity.

There is no charge for Science Club but, if we run an occasional trip to Satrosphere, I would be able to come along and help.
