

Friday 5th June  
*Making progress*

**This is our school.  
Let there be peace  
here.**

**Let the rooms be full  
of contentment.**

**Let there be love in our  
learning and in our  
play.**

**Love of one another,  
Love of all people,  
Love of life itself  
And love of God.**

**Let us remember that,  
As many hands build a house,  
So many hearts make St Peter's School.  
wherever we are**

- Green - Africa
- Red - Americas
- White - Europe
- Blue - Oceania
- Yellow - Asia

# Mission Prayer

May all children  
In the world  
Share love  
Share friendship and live  
In the peace  
Of God's love  
Now and forever

Amen

Children helping children

**What have we  
been learning and  
sharing this week?**

P1

Amazon Rainforest in a box

Topic - South America

Rio Carnival Masks

Save the Rainforest posters

Mission on Mars  
 My favourite part was when they were in the ride  
 leaving for Mars because they were on an adventure

Rox and Finn in the ride

I like when zebra scraped.  
 It was funny.

# Science- Bees

- 1- Bees have 6 legs
- 2- Bees have 4 wings
- 3- Bumblebees and honeybees are the most common bees
- 4- Bees fly by the use of their wings
- 5- Bees live in a hive
- 6- Bees turn nectar into honey

# Reading and Writing

my favorite part is when the king  
 met six champion  
 because the king and the princess  
 thought that the music was a tragedy

# Maths - Shape

# South America

South America is a land of contrasts. It is made up of lush, green jungle, mountain ranges, open plains and desert. Most people live and work in big cities by the sea. In other areas, farmers herd cattle and sheep or grow coffee beans, bananas and sugar cane.

## Amazon River

The Amazon River is the second longest river in the world. The river flows from the Andes Mountains of Peru and travels through Ecuador, Colombia, Venezuela, Bolivia, and Brazil. The river flows into the south Atlantic Ocean.

Highest waterfall in Venezuela

Angel Falls is the highest waterfall in the world, with a drop of 979 m. It is found in Venezuela.

### Frantically

Word of the Day

Frantically: when you do something very quickly and with a lot of energy.

Question time: I said to my teacher 'can I assist you?'

Consonants and Vowels:

Outstanding opinion: Today my interesting teacher said to me 'I would like to know how you feel about the word Frantically'.

LODR, say, cover, write, check

# Baking

# North America

## CANADA DAY

Footloose Dishes:

- Hotdog
- Shrimp pizza
- Hot chili, spaghetti, lobster
- Shrimp pasta, lobster
- Shrimp ice cream!

Did you know? These are some dishes that you can find in Canada. They are very different from any other country.

Canada Day is observed on July 1st as a national holiday marking the anniversary of Confederation in 1867 when the British North America Act came into effect. Canada is a young country called Canada. Unlike the British Empire, Canada is a young country.

Canada Day is the day we as a thank about how we came.

congrats Canada!

## Frida Kahlo

# Art - Frida Kahlo

- Where and when was she born? She was born in Coyocacán, Mexico City, Mexico and she was born on 6 July 1954.
- Why she was considered disabled when she was 6 years old? At the age of six, Kahlo was bedridden with polio. The polio virus caused damage to her right leg and foot. She was left with a limp. Her father thought that playing soccer, wrestling and swimming would help her recover.

Her paintings are usually self-portraits with Mexican folk culture elements. Frida Kahlo was a very strong woman her thick eyebrows and some hair above her lips showed her personality. She didn't care what the world think about her. Frida just did her thing.

## Word of the Day

### Opossum

Life Span: 2 years

Speed: 4 miles Per hour

Cuteness: 9

Mischief: 1.2 Rg

Weight: 30cm

Top Trump rating: 95

# North American and South American Top Trump Animals

### NORTH AMERICAN RIVER OTTER

Life Span: 15-20 years wild 8-9

Intelligence: 70

### Toucan

Size: 62.5 cm

Diet: insects, mainly fruits

Weight: 600g

Life Span: up to 20 years

### Beaver

Speed: 11 km Pear hour

Cuteness: 100

Size: 10

Weight: 11 kg

Life Span: 25 years

Wise: 200

Mischief: 20

Top trump rating: 1111111111

# B A K I N G

Peru

This is the flag of Brazil

There are 210,000 species in Brazil.

Amazon River  
The Amazon River is 6,400 km long, 100 m deep and 11 million years old.

## Topic Report PERU By Amiyah

These are the things I have learned about Peru

1. Peru has lots of marine life. They have whales, dolphins, porpoise, sea lions and the Amazonian manatee
2. The Amazon River flows through Peru and 60% of the Amazon rainforest is in Peru.
3. The Incas lived in Peru lots of years ago and they were a small tribe from the south mountains of Peru and they built Machu Picchu in the 1400's which is a little city and you can still see it today.
4. Lima is the capital city of Peru. The population is 268,352.
5. Cuy is a very old food in Peru and it is actually Guinea Pig. In Peru Guinea Pigs are not Pets

There are 390 billion trees in the Amazon River and the highest tree in the Amazon River is 30 meters high.

Covid-19 invention  
This invention is called the electric smart door. It's used so people during the virus don't catch it, you put your foot on the button then a voice will say 'Unlocked'. It's really helpful for crowded places like schools, football stadiums etc.

Patrick invented a smart door to protect people from viruses

Pola invented a butterfly which waters plants!

Jamie drew this wonderful picture of a llama!

Badejoko made a poster on South American football!

In RE we have been looking at the items that can be found in a Catholic church. Patrick drew and labelled this great picture.

Animal species

The amazon rainforest is home to about 10 million species of animals and plants

Max JB made a fantastic slide show all about the Amazon

# The Wright Brothers

# The Wright Brothers

Orville and Wilbur Wright invented the aeroplane, this was a huge milestone in the world of international transportation.

Today people can take trips that previously would have taken months by train or boat, now taking a few hours by plane.

# Mrs. Robertson's class' Assembly Slide

# Mrs. McKinlay Learning to fly!

# How airplanes changed the way people live

Airplanes changed people's lives because people can now travel to different countries. Airplanes look way different to what they look now. Airplanes had a seat for only 2 to 3 people and now airplanes have way more spaces for people to sit in.

# Alex

# The Wright Brothers.

Aeroplanes have changed the way people live because before air travel people had to use a train or boat or even horses. Aeroplanes can deliver food, mail and mostly anything you want to anywhere in the world.

The first aeroplane had see through wings and was quite small. It had small wheels like a bike and it was open air. I would be scared to have a flight in it.

# New and old

Click to add text

# Jaya

Jaya The Wright Brothers old and new  
The flyer had one engine and two propellers  
Aeroplanes today have two engines and also have wheels  
In 1903 the flyer flew for 60 mins.  
Today aeroplanes fly all over the world without stopping to refuel.  
I have never been on an aeroplane but I would like to fly in a modern one.

Making a great effort with his work	Great craft Work	Consistent good work always handed in on time and being enthusiastic
Always doing his best	Completing lots of activities	Persistently good work always on time
Efforts in phonics	Handing everything in.	Sharing photos of his baking on the classroom stream
Sounding out tricky words in her reading.	Being friendly on the meet	Improving fluency in her reading.
For having a positive attitude and for being well manered	Dedication and effort in maths	An amazing powerpoint on Thomas Edison
Great effort with Taught Writing	Persistently working hard	Good quality work consistently handed in time
Coming up with his own game for us to play on a google meet.	Excellent work and trying very hard	For creating her own slideshow about school in her spare time
An amazing model of the Amazon rainforest that he made by himself	For being observant and polite	Dedication and commitment to learning
Making use of features of Google Docs	Effort and presentation of her topic work.	Sounding out tricky words in her reading.
Sharing infomation and photos from her own country of Guyana over and above class topic work on Brazil	for a super slides on the Amazon Rainforest	Beating his phonics score.
Working hard and making good progress in reading	For his description of a synagogue.	Good engagement with craft task
Excellent A.I. presentation	Description, use of vocabulary and facts in her writing.	Helping her sister out during a google meet
Great Topic and craft work	Handwriting, descriptive language in written work. For preparing a detailed handwritten fact file on North America.	Being a technology helper on Google Meet today
Working hard, completing lots of work	Thought and detail of topic work	Great work, getting graphic work all correct
Positivity on our Google classroom- always encouraging others.	Handing work in showing understanding of task	Always being friendly and helpful

# Social Distancing

I must stay 2 meters  
away from other  
people

I must only use my  
own things

I must wash my hands  
often

*We have a lot to prepare to get ready for going back to school.*

- *When you return in August, it will be in small groups.*
- *Your education will continue as 'blended learning' - some time in school and some time at home.*
- *You are doing really well and you will be moving up classes just as you usually do.*

How can I  
learn  
to.....?

What ?  
Where?

**Thank you for listening.**

**Please let us know if you need help.**
